GARRISON AT LUBLIN

Distribution: 20 January 1953

50X1-HUM

Lublin is the command headquarters of DOW III (Dowództwo Okręgu Wojskowego, III, Third Military District) ~~(headquarters)~~.

In addition, there is an independent Signal Corps regiment stationed in barracks in the Western part of Lublin, on the left-hand side of the route which goes toward Warsaw.

50X1-HUM

The regiment consists of from 2,000 to 2,500 men.

The Seventh Infantry Regiment consisting of about 2,500 men is stationed at barracks located at the western edge of Lublin, on the right-hand side of the Lublin-Krasnik Route, near Brama Krakowska (Krakow Gate). These barracks built in 1951 consist of four 5-story buildings, 60 x 20 meters, including some wooden huts.

Arms: Soviet PPS and PPSH submachine guns, heavy machine guns with ammunition belt and Degtyarev.
